

NUMBER ONE IN YOUTH ATVs. THE ONLY ONE IN YOUTH SIDE x SIDES.

Polaris® pioneered the youth game, and now we're reinventing it. Again. As the worldwide leader in youth ATVs and the pioneer of the youth Side x Side category, we continually strive to give young riders the safest possible off-road thrills with a variety of vehicles sized just right.

WE'VE MADE CHOOSING THE RIGHT ATV OR SIDE x SIDE A S.N.A.P.**

S—STEERING WHEEL OR HANDLEBARS?

Do you prefer sitting in a cockpit, commanding the truck-like feel of a traditional steering wheel? Or are you more interested in the rider-active approach of mounting a machine and grabbing handlebars to head out on your ride?

A—APPLICATION?

Every vehicle is versatile, but think about the kinds of things you'll be doing most—working, hunting, or trail riding? And consider the Pure Polaris® accessories that can maximize your experience.

Heavy-Duty—Hauling heavy loads, towing, mowing, spraying, and high-traction needs.

Work—Hauling landscaping material, cutting firewood, checking fences, herding cattle, and plowing.

Hunt—Riding to deer camp or going to your favorite duck blind or upland game area.

Trail—Riding with family, friends, and club members on established ATV trails.

Sport—Riding the dunes, winning on the track, or running in wide-open spaces.

CIRCLE UP
TO FOUR

Accessories—Pure Polaris® accessories make your ATV or Side x Side the best hunting, hauling, and plowing machine. And only Pure Polaris offers a perfect fit with Lock & Ride® technology for quick and easy installation. See your dealer for accessories that will enhance your ride and get the job done.

P—PRICE?

How much are you looking to spend for the off-road machine that's right for you? Are you looking for a great deal or targeting a specific monthly payment? Somewhere in between? You can own a Polaris ATV or Side x Side for less than you think. See your local dealer for current offers and financing options.
